## DEEP DIVE RETREAT

10 Students & 2 Instructors

Historic, Farm & Coast Villages in  
Tiverton & Little Compton, RI

In this five day artist retreat, Kelly Milukas and Dietlind Vander Schaaf will take you on a deep dive into light, color and composition. Appropriate for both representational and abstract artists, this workshop will focus on different aspects of painting, including value, selecting a palette, color mixing, color relationships, working with opaque and transparent colors, and how to improve your paintings by tackling issues related to composition. Students will learn to see light as shape and color that informs composition. Students will have 1:1 time with each instructor, as well as access to both a meditation garden and outdoor swimming pool in the charming farm-coastal community of Tiverton and Little Compton, Rhode Island. Yoga/movement sessions will be offered each morning. Open Studio hours will be held each evening. Supplies provided include: *Butane torches, heat guns, tools*, encaustic paint and encaustic medium, Pigment Sticks, blending medium, and an **R&F Paint Palette** for each student.
